Subject: 2012-2013 EMPG Assessment- Competitive Award

Purpose

The purpose of this Information Bulletin is to provide guidance and information regarding the award of the Emergency Management Performance Grant (EMPG) competitive or "bonus" grants for emergency management personnel for the 2012-2013 Assessment.

Background

In the past, the Indiana Department of Homeland Security (IDHS) has issued the Emergency Management Performance Grant (EMPG) for a competitive grant for counties that met more than the minimum points required for the EMPG yearly assessment.

Guidance

This year, IDHS has allocated 2013 EMPG funding for the Competitive Grant Program. Because bonus award amounts were not distributed prior to the assessment, any county that met the minimum point requirement for salary reimbursement (232 points) will receive a \$5,179 county grant. Grant award letters will be sent to each county by close of business, Friday, October 25, 2013.

Should there be further questions, please direct those to your district coordinator or a member of the IDHS Grants Management staff.
